

The Speech Monsters®

Puppets Created by a
Speech & Language
Therapist to Support
Speech Development
& **Phonics** Learning

www.thespeechmonsters.com

How it Works

These unique, engaging monsters help children **visualise** how sounds are made...

Perfect For:

Therapists

Teachers

Parents

*“Where play leads, **learning** follows..”*

www.thespeechmonsters.com

Features

Moveable Mouth

A fully moveable mouth helps bring speech to life in a fun & engaging way

Placement Cues

A coloured placement cue provides concrete guidance on where to place the tongue for the production of some sounds

Adjustable Tongue

A flexible, adjustable tongue visually guides children in how to place & move their tongues for individual speech sounds

Watch us demonstrate!
